

You must upload a scanned copy of your passport. Your scanned copy must be:

- In color
- For Citizens of Uzbekistan - the main page of the passport and registration ('Propiska') reflected on one page (see example below)
- For citizens of countries other than Uzbekistan – the main page of the passport only

Example of a scanned copy of the passport for citizens of Uzbekistan. Both scans should fit on 1 sheet of A4 (represented by the blue rectangle), scale 100%. Do not shade any of the details.

What you should do:

1. Scan a copy of your passport
2. Resize and rotate, merge different scans on one page it if necessary
3. Upload it to WIUT Admission System
